Code #1048102

H5P

- Endless possibilities
- Flexible and open
- Adopt, adapt, or create
- Integrated with Moodle, Wordpress, and Pressbooks

Activity

1. Take 5 minutes to explore (links in chat)
2. Choose one content type
3. Why are you drawn to it? What do you like about it?

How Do You Choose?

- Where do your students need learning support?
- What kind of support do they need?
- What are some ways to achieve this?
- What else are you doing?

Brainstorming

How could you use the content type you selected to enhance your students' learning?

What could you **do** with it?

Using the Technology

- Moodle
- Adopt (reuse someone else's H5P)
- Adapt (remix someone else's H5P)
- Create (make your own H5P)

Activity

Adopt an H5P activity

(Or adapt...or create)

Break

Pressbooks

- Numerous uses
- ZTC courses (save your students \$\$)
- Open pedagogy (co-create with your students)
- Adopt, adapt, or create

Adopting

- Thousands of open textbooks
- BCCampus
- eCampusOntario
- Numerous other repositories

Activity

1. Take 5 minutes to browse
2. Choose one resource
3. Why are you drawn to it? What do you like about it?

Adapting & Creating

Adapting

- Resource not quite what you need...
- Want to combine multiple resources...

Creating

- Make something new!
- Co-create with your students

Demo & Practice

Wrapping Up

1. Most important learning?
2. One thing you're still confused about.

Thank You!
